

Madeleine Walker Coastal Ballet Theater

Order Dance Attire at www.shopnimbly.com/mwalker

This notice is to refresh you of our dress code. We hope this will remind our dancers how important appearance is for a student and that it is part of classical Ballet and Jazz or Tap training to be properly dressed in the studio and on stage. Please note the following studio rules:

1 Hair must be pulled back and properly secured with ponytail holder and Bobbie pins or clips for all classes. Hair spray is encouraged. Hair that is hanging in a student's face is a distraction to the dancer and the instructors. Please prepare hair before arriving at the studio. This saves valuable class time and keeps students from sharing brushes and combs in the dressing area.

2 Regulation leotard and skirt is required. Both should be the proper color and style designated for each class level. Gear for every class level is available at www.shopnimbly.com/mwalker. Questions for Nimbly support team 800-985-2128. Boys require white tee shirt, black leggings or tights with black ballet shoes.

3 All skirts must be regulation. No wrap or tie skirts will be allowed.

4 Pink wrap sweaters may be worn in cold weather.

5 Pink tights are regulation for the legs. Dancers in "Pointe" classes need convertible tights to prepare the toes for "Pointe" class. All pink tights must cover the feet and are to be worn inside the dance shoes.

6 Ballet, Jazz and Tap shoes are a vital part of the dancer's uniform. All dancers must be fitted with their own shoes. Elastics must be properly sewn across top of arch. Drawstrings must be tied and tucked inside shoe. Dancers will not be allowed to participate in a class without shoes. Pointe shoes will be discussed and fitted by the director, depending on the class level.

7 Jazz shorts should be worn over class leotards and pink ballet tights. No tee shirts or other clothing should be worn.

8 A pink cor nude camisole "Under costume leotard" is required for all dancers. No plastic or crossed straps are allowed. Please order "Nude Color Strap Pack" to wear with nude color leotard. For modesty and convenience dancers should arrive at the theater or performance venue with the camisole leotard under their costume. Students will leave the theater in this leotard after the costumes are removed. No other clothing or sweaters will be allowed backstage.

Please write each dancer's name in ALL clothing and shoes.

Approved clothing and accessories are essential for all Ballet, Jazz and Tap.

Dancewear should be ordered in a timely manner through www.shopnimbly.com/mwalker.

Please scroll up, down and left and right on the nimbly site to find all items available for your class level. Thank you.
